

CONTINUING LETTER OF GUARANTEE FOR COLLAGEN FILM

2008/2009

ZIP-net, Inc. distributes various types of collagen films used for the wrapping of meat, and does hereby certify to the buyer that at the time of shipment the products are not adulterated, misbranded or unsafe, and have been manufactured and marketed in conformity with the Federal Food, Drug and Cosmetic Act.

The products are produced from bovine skin collagen from veterinarian approved hides under Good Manufacturing Practice. The film can be in roll or sheet form, and is intended to be wrapped on the outside of the meat and consumed with the meat after cooking. All the constituents of the products are either Generally Regarded As Safe (GRAS) or approved food additive ingredients.

This continuing letter of guarantee is valid as long as the products are stored and used under the conditions and temperatures detailed in the product specification.
